WALK A MILE IN SOMEONE ELSE'S SHOES BOOK CHALLENGE

This Spring we are challenging our students to walk a mile in someone else's shoes. They will be given a list of 40 books that encourage them to read about people who are different than themselves. For each book a student completes they will be awarded two tickets to enter a raffle where they can win prizes. By incentivizing our students to read, we hope to enhance their literacy skills, create empathy for others, and establish a love of reading.

Students, you could win AirPods, a Kindle, and various gift cards!
