

Dear Parents/Guardians:

We are excited to announce that we are offering the convenience of online registration through [Arbiter Registration](#), formerly known as FamilyID, which is now part of the ArbiterSports family!

Arbiter Registration is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through Arbiter Registration you enter your information once for multiple uses, multiple kids and multiple programs.

DEADLINE: All necessary documents and online registration for our upcoming Fall Sports Season must be completed by **Thursday, August 14, 2025.**

All Participants:

- MUST register through [Arbiter Registration](#) (even if you played a sport with Shawsheen in previous years).
- MUST Have a current physical uploaded to their Arbiter Registration account. In order to be in compliance with state regulation, physical exams are required every ***thirteen months to the day*** of the previous physical exam. Athletes become ineligible to practice or compete until a current physical is on file. Any athlete who's physical expires in season will not be allowed to continue to participate until a new physical is received. *Please do not upload as a HEIC file – we are unable to open those documents.*

How to upload a physical link: <https://arbitersportshelp.zendesk.com/hc/en-us/articles/19923728441101-Student-Registration-Upload-a-File-such-as-a-Physical-to-a-Completed-Registration>

- MUST complete the yearly mandatory free online Concussion in Sports Course (needs to be completed only once a school year)
Students-athletes who plan to participate in any athletic program at Shawsheen Valley Technical High School must take the *free* online Concussion in Sports course through The National Federation of High School Associations (<https://nfhslearn.com/courses/concussion-for-students>). After clicking on the link, the student-athlete will need to click the “order here” button and complete a brief information form to register. The entire course, including registration, can be completed in less than 30 minutes. ***No need to pass in the Certificate of Completion.***
- Baseline Concussion Testing - It's MANDATORY for all 9th graders, 11th graders and those student-athletes who are new to sports and/or have never completed a Concussion Baseline Test. We now use a different software for Baseline Concussion Testing. The Athletic Trainer will conduct these baseline tests during the first few weeks of the season.
