

Dear Parents/Guardians:

We are excited to announce that we are now offering the convenience of online registration for our athletic programs through FamilyID.

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, you enter your information once for multiple uses, multiple kids and multiple programs.

DEADLINE: All necessary documents and online registration for our upcoming Fall 2 Sports Season must be completed by **Monday, February 22, 2021.**

*Please Note: Dates are subject to change due to decisions and instruction from the State, Department of Education and the MIAA.*

### **All Participants:**

- MUST register through [FamilyID](#) (even if you played a Fall sport, a Winter sport or if you previously registered for the Voluntary Football Workouts)
- MUST Have a current physical uploaded to their FamilyID account. In order to be in compliance with state regulation, physical exams are required every ***thirteen months to the day*** of the previous physical exam. Athletes become ineligible to practice or compete until a current physical is on file. Any athlete who's physical expires in season will not be allowed to continue to participate until a new physical is received.

- MUST complete the mandatory free online Concussion in Sports Course (needs to be completed only once a year)

Students-athletes who plan to participate in any athletic program at Shawsheen Valley Technical High School must take the *free* online Concussion in Sports course through The National Federation of High School Associations (<https://nfhslearn.com/courses/61059/concussion-for-students>). After clicking on the link, the student-athlete will need to click the "order here" button and complete a brief information form to register. The entire course, including registration, can be completed in less than 30 minutes. If you completed this course during the Fall or Winter sports season, you do not need to take it again. ***No need to pass in the Certificate of Completion.***
