

Welcome,
Class of 2029!

Parent/Guardian Information Night

Thursday, May 1, 2025

Part I. Welcome & Overview

➤ Jessica Cook, Principal

Our Mission

At Shawsheen Valley Technical High School, it is our mission to provide a positive learning experience in a safe educational environment that encourages all students to reach their full potential, emphasizes the value of a strong work ethic, and prepares them for adult life in a competitive world.

Our Core Values

SVTHS Core Values		
Accountability	Integrity	Respect
<i>Take responsibility for your words, actions, and commitments.</i>	<i>Be honest and do the right thing, even when no one else is watching.</i>	<i>Treat everyone the way you wish to be treated.</i>
At SVTHS, we strive to be our best selves, and hold ourselves accountable for our own words and actions. We follow through on our commitments and take responsibility when we fail to meet this standard.	We believe in being honest and doing the right thing. We hold ourselves to this high standard even when it is inconvenient or when no one else is watching.	We are committed to creating a safe, welcoming, and inclusive learning environment for all members of our community. We exhibit respect for one another through our words and actions, and by assuming best intentions of one another.
<p><i>We exhibit accountability by:</i></p> <ul style="list-style-type: none"> ▪ Showing up on time. ▪ Showing up prepared. ▪ Following through on our commitments. ▪ Asking for help when we need it. ▪ Learning from our mistakes. ▪ Being a part of the solution. 	<p><i>We exhibit integrity by:</i></p> <ul style="list-style-type: none"> ▪ Being honest and trustworthy. ▪ Doing what is right. ▪ Putting in our best effort. ▪ Setting a good example for our peers. ▪ Accepting responsibility for our mistakes. ▪ Repairing our mistakes. 	<p><i>We exhibit Respect by:</i></p> <ul style="list-style-type: none"> ▪ Speaking kindly to one another. ▪ Listening to one another. ▪ Cleaning up after ourselves. ▪ Accepting & celebrating differences. ▪ Treating every day like a new day. ▪ Assuming best intentions.

Preparing Students for Adult Life in a Competitive World

What We Offer Students

Academic Experience:

- **Rigorous Academic Program:** Students can access multiple pathways to prepare for postsecondary success. This is accomplished in half the time as compared to traditional high schools.
- **MCAS:** Students are prepared to achieve grade level expectations through differentiated approaches.
- **Concurrent Enrollment:** Students can begin to build their college transcripts during high school at a reduced cost.
- **Seal of Biliteracy:** Opportunities for students to demonstrate multilingual skills and earn college credits.

Career & Technical Education (CTE) Experience:

- **Grade 9 Exploratory Program:** Students identify interests, goals & talents with exposure to multiple pathways.
- **Permanent Vocational-Technical Program** – Students develop in-demand skills & attain credentials & hours.
- **SkillsUSA** – Students can showcase their skills by competing against their peers in MA and across the nation.
- **Co-operative Employment Program** – Students gain real-world experience & strengthen employability skills.

Preparing Students for Adult Life in a Competitive World

Student Expectations

Transition to High School: Students will experience increased independence & responsibility in high school. Students are expected to conduct themselves in accordance with school rules and our core values.

Safety: Safety is ESSENTIAL in our school. Students can be seriously injured if students do not comply with all safety expectations. Violations of safety requirements are taken VERY seriously.

Attendance: Students cannot learn if they are not here. Every day a student is absent they lose precious hours in their academic & CTE courses. Absences, tardies, & dismissals are discouraged for routine appointments and things such as driving lessons.

Positive Community Members: Students are expected to contribute positively to our school community and not behave in ways that negatively impact the learning and experiences of their peers. Acts of bullying, discrimination, or harassment are not acceptable at Shawsheen.

Schedule and Important Dates:

Over the summer:

- Student course assignments
- Start of school-year information
- Family Aspen credentials

New Student Orientation: Tuesday, September 2, 2025

- Academic schedule walk-through
- Mobile devices issued
- Technology overview session
- Student credentials for all school platforms
- Student expectations
- Orientation Leader Activities

All Students Report: Wednesday, September 3, 2025

- Academic week for freshmen
- 1st exploratory cycle: September 8-11, 2025

[2025-2026 SVTHS School Calendar](#)

Rotating Weeks (identified on school calendar):

- Week 1 = ACADEMIC WEEK for Grade 9
- Week 2 = SHOP WEEK for Grade 9
 - Exploratory = First 14 shop weeks of the year

Daily Schedule	
7:00am-7:24am	Student entry begins at 7am Breakfast in cafeteria until 7:24am
7:30am-7:47am	Students report to HR by 7:30am
7:47am-2:04pm	8 period school day 5 student lunches
2:04pm	Student Dismissal
3:15pm	Late Bus Leaves (Mon-Thurs)
5:30pm	Late Bus Leaves (Mon-Fri)

Director of Academic Programs	Danica Johnston
Director of Vocational Technical Programs	Dave Norkiewicz Michael Hurley (25/26)
Director of Guidance & Health Services	Jim Carlson
Director of Support Services	Jeff Albert
Director of Educational Technology	Annamaria Schrimpf
Director of Admissions, Data, & Assessment	Andrew Pigeon
Athletic Director	Al Costabile

Part II. Exploratory, Shop Selection, & Permanent Shop Placement

- Dave Norkiewicz, Director of Vocational Technical Programs
- Michael Hurley, Incoming Director of Vocational Technical Programs
- Jim Carlson, Director of Guidance & Health Services

Freshman Exploratory

Exploratory is a program designed to offer all ninth-grade students the opportunity to understand and engage in the educational pathway options available to them at Shawsheen.

14 Different Program Cycles

- For the first 14 shop weeks (Week 2)
- All programs have enrollment capacities.
- A student's performance is essential in obtaining their top selection.
- Students will select their shop at the end of the 3rd Quarter.

The Exploratory Experience

Student Exploratory experiences include applied learning that introduces students to career opportunities and authentic experience specific to each program option. At completion of Exploratory, students will be able to:

- Identify the pathways available to them at Shawsheen.
- Identify potential career opportunities available to them through each pathway.
- Understand student outcomes for each pathway (i.e. career credentials, work-based learning, cooperative education, articulated college credit, and transcribed college credit(s)).
- Analyze and evaluate the pathways as they relate to their interest and skills.

How our Exploratory Program Works

Exploratory is a program where 9th grade students can explore 14 different career and vocational/technical programs.

The exploratory schedule is based on the student's rank-ordered choices identified on their application. Students are assigned additional programs to ensure exposure to non-traditional career areas.

Freshmen participate in Exploratory for quarters 1-3 and are placed in permanent shops for quarter 4.

Exploratory Assessment

Multiple methods, strategies, techniques, tools and instruments for collecting information are used to determine students' desired learning outcomes.

To provide a fair assessment for the fourteen exploratory cycles a comprehensive rubric tool is used.

This rubric clearly indicates achievement criteria across all the components of any kind of student work, from written to oral to visual.

Instructors use a rubric that identifies aptitudes and abilities to perform in the career and technical area.

At the end of the exploration process, students are ranked by a score for each vocational/technical program.

Doing well in all exploratory courses is important since the overall exploratory grade average can impact the selection and serve as a “tie-breaker”.

Exploratory Shop Safety

Each exploratory program has a Health & Safety plan that ensures a safe working environment for staff and students in the program and classroom areas by describing the general rules of conduct and other information useful in helping to prevent laboratory incidents and to appropriately respond to and report any incidents that may occur.

Students will receive the “What to Wear/Bring to Exploratory Shop Week Form”

This document was developed to assist your child in knowing what to wear or NOT to wear for each program they explore.

Exploratory Shop Safety

Examples of what is on the “What to Wear/Bring” document

Safety glasses are provided

What to Wear/Bring to Exploratory Shop Week

ADDITIONAL INFORMATION PERTAINING TO EACH PROGRAM WILL BE PROVIDED DURING SHOP

ADVANCED MANUFACTURING TECHNOLOGY

Clothing: Long pants, work boots or leather shoes (**NO Sneakers**), cotton work shirt, safety glasses. **NO** nylon fabrics, **NO** yoga pants, **NO** sweatpants, **NO** dresses, **NO** shorts, **NO** winter boots, **NO** tank tops

Other: **NO** dangling Jewelry. Long hair must be off shoulders and tied back. Bring pencil, Agenda / Passbook

AUTOMOTIVE COLLISION REPAIR & REFINISHING:

Clothing: Long pants, work boots or leather shoes (**NO Sneakers**), cotton work shirt, safety glasses. **NO** nylon fabrics, **NO** yoga pants, **NO** sweatpants, **NO** dresses, **NO** shorts, **NO** winter boots, **NO** tank tops

Other: **NO** dangling Jewelry. Long hair must be off shoulders and tied back. Bring pencil, Agenda / Passbook

Shop Selection Preparation

How does the Guidance Department support your Student?

- **Comprehensive Guidance Curriculum**
Students engage in structured lessons on self-discovery, career exploration, and decision-making skills.
- **Career Planning with Naviance**
Through assessments and planning tools, students explore career interests and align them with potential shop placements.
- **Support for Competitive Shops**
Some shops have capacity limits. We help students identify **transferable skills** and explore **related or alternative pathways**.
- **Developmentally Appropriate Guidance**
Choosing a vocational focus at 14–15 years old is a big decision. Our team ensures each student makes an **informed and confident** choice.

Shop Placement

- Roughly **85% of students** are placed into their **1st choice**.
Approximately **95%** receive their **1st, 2nd, or 3rd choice**.

Part III. Academics

➤ Danica Johnston, Director of Academic Programs

The Freshman Year Academic Experience

All students take:

- English 9
- Geometry or Algebra I
- US History I
- Civic Literacy
- Digital Literacy
- Biology
- PE/Health

****English Learner Education Program****

Placement Testing & Levels

- 5 levels of CP English
- 4 levels of Mathematics: Honors Geometry, 3 levels of CP Algebra 1
- 3 levels of CP Lab Cell Biology
- 2 levels of CP U.S. History 1
- 1 level of CP Digital Literacy, Civic Literacy & Physical Education and Wellness

[Shawsheen Tech Program of Studies](#)

Note: Placement test scores do not impact status for admissions.

9th Grade Schedule

- 9th grade schedules are based on placement test scores, grades, attendance, and teacher recommendations.
- Families will receive a copy of their child's course placements by the end of the school year
 - This is your opportunity for feedback/changes
- If a student has an IEP, a transfer meeting will be scheduled. Course levels may be adjusted during that meeting.
- Students with a 504 Plan will also meet with the Guidance Department to review their support needs.

Concurrent Enrollment

- Offered during 11th and 12th grade
- Allows students to take college-level classes during their high school schedule
- Classes are taught by Shawsheen teachers who have been vetted by Middlesex Community College as adjunct professors
- Students are delivered a rigorous college-level curriculum, and concurrently fulfil their high school graduation requirements, while also earning college credit at a significantly reduced cost.
- Courses offered SY 2025-2026:

Statistics - Calculus - Pre-Calculus - Chemistry - English
Comp 101 - H. English - Comp 101 - American Government

Part IV. Supporting All Students

- Jim Carlson, Director of Guidance & Health Services
- Andrew Pigeon, Director of Admissions, Data, & Assessment

Guidance Counseling & Health Services

Jim Carlson – Director of Guidance and Health Services

504/Title IX/Civil Rights Coordinator

9th Grade Guidance Counselors:

- Nancy LeBlanc
- Matt Smith

10th- 12th Grade Guidance Counselors (Assigned by shop):

- Greg Harrison
- Terry Henry
- Kelly McFadden
- Amanda Samaha

Nurses' office:

- Nina Brophy - RN, BSN
- Elizabeth West - RN, BA
- Kristen Croteau- RN, BSN

Support Services (Special Education)

Jeff Albert – Director of Support Services

Support Services has a full team of professional staff

THE SUPPORT SERVICES TEAM SUPPORTS ALL STUDENTS WHO ARE ON AN INDIVIDUAL EDUCATIONAL PROGRAM (IEP) WITH THEIR APPROPRIATE NEEDS AND SERVICES TO ACCESS SHAWSHEEN PROGRAMING

ATHLETICS AT SHAWSHEEN

Director of Athletics—Al Costabile

Fall Sports Information

Fall Sports

- Football (Varsity, JV and Freshman)
- Football Cheering (Varsity and JV)
- Boys Soccer (Varsity and JV)
- Girls Soccer (Varsity and JV)
- Cross Country
- Volleyball (Varsity and JV)
- Golf

Tryout Info

Football Cheer: Monday, June 9 – Friday, June 13 - 4:00pm-7:00pm in Cafeteria

Football: Thursday, August 14 at 2:00pm in Gym

All Other Sports: Monday, August 18

All Student-Athletes interested in participating in a sport, MUST register through [Arbiter](#), have a current physical uploaded to their Arbiter account and complete concussion protocols ***prior to tryouts***.

Please check the [Shawsheen Tech Athletics](#) webpage for more details including Registration Links, Sport Specific Tryout Information and Coaches Contact Information.

Questions

Al Costabile, Athletic Director - acostabile@shawtech.org

Jaime Lee, Athletics Administrative Assistant - jlee@shawtech.org

Part VI. Educational Technology

➤ Annamaria Schrimpf, Director of Educational Technology

Educational Technology and Digital Learning

Annamaria Schrimpf – Director of Educational Technology/Digital Learning

STUDENT INFO

1:1 laptop program

- Week 1—ACADEMIC week all students bring laptop
- Week 2—SHOP week teacher's discretion
- Tech Insurance Fee
- Chargers and pens can be purchased at School Store

Online resources

- Office 365
- Single Sign On for most school resources—ASPEN, Office 365, Destiny, Naviance, Schoology, ClassLink

PARENT INFO

- Help Desk link on website
 - ASPEN issues, etc
- Blackboard Parent Notification
- Back to School Student Registration

What Happens Next?

May - June:

- Complete online student registration – an email with directions and links has been provided

Beginning of Summer:

- You will receive your student's course placement information and schedule
- Review and respond with any questions or suggestions

Over the Summer:

- Start of school year information will be shared, including but not limited to: student schedules, bus routes, student handbook information, student handbook electronic sign-off, and all relevant updates

Part VII. What Happens Next
