

Superintendent-Director Search
Shawsheen Valley Technical High School

The Shawsheen Valley Regional Vocational/Technical School District Committee invites applications for the position of Superintendent-Director. Shawsheen is a vocational/technical high school serving 1318 students from the towns of Bedford, Billerica, Burlington, Tewksbury and Wilmington. It has employed five Superintendent-Directors since 1967 and seeks a highly-motivated, long-term candidate for this position.

Candidates should submit:

- a letter of interest;
- resume;
- a copy of the applicant's Massachusetts certification for the position of superintendent-director or evidence that the applicant is eligible for Massachusetts certification and has an application on file with the Department of Elementary & Secondary Education;
- a university placement file or other transcript, credit and degree documentation;
- three current letters of professional reference to:
