ALA Youth Media Awards

Each year the American Library Association (ALA) honors books, videos, and other outstanding materials for children and teens. Recognized worldwide for the high quality they represent, the ALA Youth Media Awards (YMA), including the prestigious Newbery, Caldecott, Printz, and Coretta Scott King Book Awards, guide parents, educators, librarians, and others in selecting the best materials for youth. Selected by committees composed of librarians and other literature and media experts, the awards encourage original and creative work in the field of children's and young adult literature and media.

Reading Rams Book Club

The "Reading Rams" Book Club provides students who have a passion for reading a dynamic and interactive forum to discuss books. The club meets monthly for literary discussion, both of books independently read by members and of a featured book, which is assigned and provided by club moderators. We are always welcoming new members and encourage students who are interested to contact myself (kmcginness@shawtech.org) or Ms. G. (cgarcia@shawtech.org)

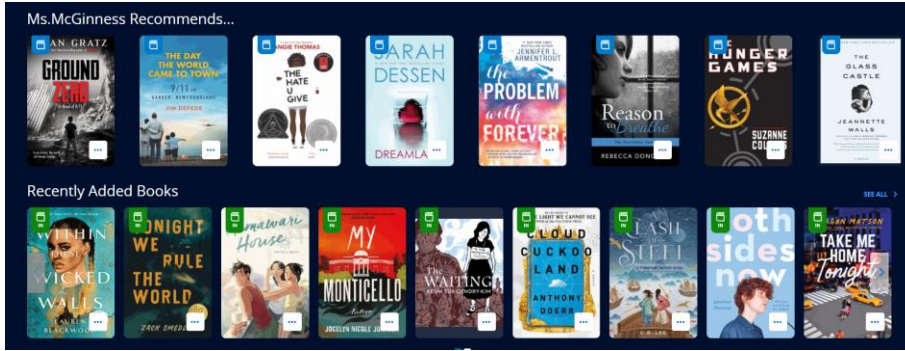

Book Club is currently reading:
Throne of Glass by Sarah J. Maas
