*May 30, 2023 (final ANG event prep)

*Meeting dates and location subject to change. Any changes will be posted on Shawsheen Tech Parent Advisory Council Facebook Page.

Our goal is to support the SVTHS Community, specifically students and staff of Shawsheen. Our main focus is providing a safe celebration for our graduates each year. Majority of funds raised by the PAC are used for this event. Each year, the PAC provides a monetary gift to a graduate of each vocational shop each year. Donations are also made by the PAC to contribute funding toward special materials and equipment for classrooms and to support other Shawsheen Tech groups and events. The PAC is a volunteer organization. All participation in the forms of time, effort, and/or monetary or goods donations are sincerely appreciated. Please consider joining us!
