

Shawsheen Title I Parent Meeting

September 28, 2023

5:30 pm

What is Title I?

Title I is a federally funded program with the goal of providing high-quality, supplemental instruction, for students identified as needing the support.

Title I has three primary objectives:

- Improve student achievement for all participants
- Improve staff development
- Improve parental and community involvement

How are Title I funds distributed to districts?

Based on the number of low-income families in the district

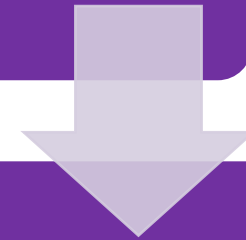

Once a school qualifies for Title I, academic need, not income status determines which students receive services

Who qualifies for Title I services?

Whole School qualification

- Schoolwide versus Targeted Assistance

The entire student body will benefit from title 1 funding.

What are the Title I funds being used for?

- After school MCAS workshops
- In-school MCAS intervention
- MCAS Bootcamps over February and April break
- Title I Math paraprofessional
- Hot Spots
- Teacher instructional materials and professional development
- Student supplies and instructional materials
- McKinney Vento Needs

SHAWSHEEN VALLEY TECHNICAL HIGH SCHOOL 2022-2023 SCHOOL-PARENT COMPACT

Recognizing that parents, faculty, and students share in the responsibility for improved student achievement, all stakeholders agree to the following:

1. Shawsheen Valley Technical High School will provide high quality curriculum and instruction in a supportive and effective learning environment.
2. Parents will support their children's learning by monitoring attendance, homework completion, and use of extra-curricular time and by participating in decisions relating to the education of their children.
3. The student will participate in the classroom instruction, complete homework as assigned, and communicate needs to staff and parents as appropriate to enable him/her to make satisfactory progress toward attaining academic standards.
4. To facilitate communication between home and school, the school will conduct a parent-teacher open house and parent-teacher conferences to discuss student progress. An annual fall Title I orientation meeting will be held at prior to the first parent-teacher conference.
5. School-wide mid-term and quarterly grade reports will be provided through the Aspen Family Portal and teacher email addresses will be provided to further enhance communications between home and school.
6. Teachers will provide regular feedback to parents of students who are failing, of which parents are asked to review and then communicate questions/concern to teachers regarding student progress.
7. Parents unable to attend the two Parent Teacher Nights are invited to schedule individual meetings with teachers at a more convenient time to discuss their child's progress.
8. Shawsheen Valley Technical High School will provide parents with information in a language and form they can understand. To facilitate this, parents will inform the school of preferred language used in the home, if it is not English.
9. Shawsheen Valley Technical High School will provide parents with resources and information to assist them in supporting their child to succeed in school.
