

SCHOLARSHIPS

Log into your Naviance account at:

<https://student.naviance.com>

Choose the 'Colleges' tab in the upper right hand corner

Scroll down, find 'Scholarships and Money', and choose this tab.

Next select 'Scholarship List'

On the next screen, all scholarships that we are aware of will be listed in here.

You will see brief descriptions and requirements for each scholarship. Be aware of the deadlines and make sure all of your applications and materials are submitted on time.

Some applications will be online and some will be paper applications that you will need to pick up in the guidance office.
