ClassLink Instructions

Some students have had difficulty accessing Schoology and other school related web resources this year. Good news! Shawsheen now has ClassLink loaded on each student's desktop. All you have to do is follow these three easy steps:

Step 1: Click on the ClassLink icon on your desktop.

Step 2: Enter the same school username and password that you used to logged into device.

Example:

Username: jsmith24

Password: *******

Step 3: Click on the web resource you would like to access.

About ClassLink

ClassLink gives you single sign-on to all your apps and resources from your student device. Every year, schools waste thousands of hours of class time having everyone log in to what seems like an infinite number of websites. But with ClassLink, one password gives students and teachers access to everything they need, on your school issued device.
